

THE Messenger

MAY 2011

Washington Flyers' Club, Inc.

MEETING NOTICE:

Our regular monthly meeting will be held on **Friday MAY 06, 2011.**

MONTHLY DRAWING:

There was no winner in the monthly drawing (No. 5 was drawn.). The monthly pot now stands at \$15.50. The monthly pot stood at zero and was boosted by \$15.50 (½ of the monthly drawing collection).

AMBROSE URBANY PLAQUE

The bronze plaque commemorating Ambrose Urbany was mounted on the East side of the terminal building and was dedicated on April 20, 2011. The Redevelopment Authority was kind enough to provide the tent and refreshments for the ceremony. Bill McGowen and Dan Urbanik were instrumental in the preparation and arrangement of the event. Thanks to the Washington Flyers Club members who were able to attend this mid-week event.

—Ed.

WFC WEBSITE UPDATE

From Jon DePoe-Webmaster:

The member login access for the web site has again been updated...over concerns that the website was compromised. Fortunately it has been determined the website was not compromised.

The pass code has been changed as of today and now can only be obtained by using the special "**request pass code**" link that has been put on the "**Club News**" page of the website. The pass codes will no longer be included with the **eBlast**.

The new pass code is:

ID: **member**
PW: **4-16*wfc**

WEBSITE UPDATE (CONT'D)

Also changing:

The club newsletter will now be on the **secure area** of the web site and will **NOT** be sent out as an attachment to the eBlast. You will have to login to view it as a "pdf".

Summer Club House Rules:

Club House Use Rules List was adopted by general consensus of the Board. The list is posted adjacent to the entrance door. This list is a reminder of general house keeping rules and operation of the HVAC and lights.

AVAILABLE:

Several members have expressed interest in the availability of Used/Serviceable **Garmin GNS 430/530 NAV/COM/GPS/WAAS** units. With the recent (Thursday March 24th) announcement by **Garmin** of their new **GTN 650/750 Touch Screen** NAV/COM/GPS/WAAS radios. I know of several GNS 530's that will become available soon. **Garmin** was prepared to start immediate delivery of the new GTN series units and sold out a complete warehouse by Friday morning March 25th. If interested contact:
Craig Stephan- 724.228.6400
craig@cheyenneairservice.com

You can see the new Garmin GTN series at:
